Your Excellency,

**Subject: Thanks and Appreciation for your kind response -
The Deplorable Condition of the Access Road
Reference No: PMO/10/B/Feb/18/12/2020**

I received a letter from your office in response to my request to attend to the deplorable condition of the access road to the English Language Campus at Viswamadhu.

I see some works of renovations are being done at the particular site to improve the condition of the road. We hope and pray that it will be completed soon and the local community including the English Language Campus would be happy about your intervention in this valuable endeavour.

We hope that we will be able to have this channel of communication even in the future.

Appreciating and thanking you for your favourable intervention with regard to our request,
Sincerely Yours,

Rev. Fr. S. Edwin
Academic Coordinator.
